 Hampshire Guild of Weavers Spinners and Dyers

Founded July 1950

Affiliated to the
Association of Guilds of
Weavers, Spinners & Dyers

Introduction

We are a group of people interested in developing & keeping alive the traditional skills of:-

SPINNING:

Yarns made from a range of fibres including wool, linen, cotton, silk and many others which can be used for Knitting, Crocheting or Weaving.

WEAVING:

The craft of creating interesting & individual fabrics which can include textiles suitable for clothing, soft furnishings, floor coverings, decorative hangings or embellishment.

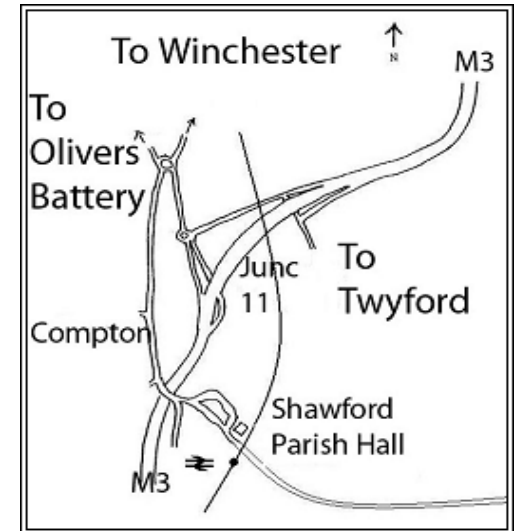

DYEING:

Colouring of fibres, yarns & fabrics with natural or chemical dyes to achieve our own unique colours.
